Our county is admirably suited to farming industry. Be desour fine lands, and ever flowing streams and springs, and the splendid stones for building houses and timber, oaks and cedar for fences. and fuel, and the natural grass that spontaneously springs up on all uncultivated lands. Besides all these advantages, and many more there are two thrifty towns, situated at some distance from the town of San Saba, Richland and Cherokee. These are great convenienceto farmers as they save them of long rides and loss of time. These towns carry a general stock of merelandise, and have fine schools for educating the children, and are At this Office, provided with churches and ministers, and have daily mails, all these are conveniences that cannot be overlooked in the make up, of a
